- In-house laboratory work.
- Radiography and ultrasound.
- Gastroscopy.
- Endoscopy.
- Castration.
- Reproductive services.
- Vaccinations.
- Euthanasia.

Explore our website to learn more.

Pre-purchase examinations

We offer pre-purchase examinations for all types of horses and ponies, on behalf of registered and non-registered clients.

Learn more about the process and requirements **on our website**.

Reproductive services

Our specialist equine stud medicine service is designed to guide you through the entire breeding process, from initial steps to the birth of your foal.

Learn more about what we can offer **on our website**.

We are proud to run our own in-house out of hours service for registered clients, and our dedicated team is on hand to help 24/7, 365 days a year.

If you and your horse have an emergency during or outside of our opening hours, please call us on **01736 362215**.

Visit our website for further information.

Lameness

If your horse's movement is limited or uncomfortable, our experienced vets can investigate and diagnose any issues.

Read more about your treatment options **on our website**.

Castration

We offer castrations for horses, ponies and donkeys, and can perform the procedure standing under light sedation or under general anaesthetic.

Learn more **on our website**.

We'd love to hear from you!

We're always happy to receive feedback and suggestions on how to further improve our services. To give feedback, please email **info@roseveanvets.co.uk**.

Terms and conditions

Our full **terms and conditions** and **privacy policy** are available to read on our website.

Please note that there is a fee for insurance form administration.
